Your Name

Phone: [Your Phone Number] | Email: [Your Email] | LinkedIn: [Your LinkedIn Profile]

Objective

A motivated computer engineering trainee eager to apply technical skills and knowledge in a dynamic work environment. Seeking opportunities to grow and contribute to innovative projects.

Education

Bachelor of Technology in Computer Engineering

[University Name] | [Graduation Year]

Relevant Courses: Data Structures, Software Development, Algorithms, Networking, Operating Systems

Skills

Programming Languages: C, C++, Java, Python

Web Technologies: HTML, CSS, JavaScript, React.js

Databases: MySQL, MongoDB

Tools: Git, VS Code, Docker

Operating Systems: Windows, Linux

Area of Interest

My key areas of interest lie in software development, particularly full-stack development, where I can combine front-end and back-end technologies to create robust applications. I am passionate about exploring networking, cloud computing, and automation tools to enhance system efficiency. I enjoy problem-solving and seek opportunities to work on innovative projects that involve coding, testing, and deployment while utilizing emerging technologies.

Projects

1. [Project Name] - Description of the project, technologies used, and outcomes.
2. [Project Name] - Description of the project, technologies used, and outcomes.

Training and Certifications

[Name of Certification] - [Organization, Year]

[Details about training or relevant coursework]

Languages

English [Proficiency]

[Other Language]

Hobbies

Coding challenges on platforms like HackerRank and LeetCode

Building personal projects and exploring new technologies
